Send to the relevant council officer to obtain their recommendation about the project.

See the below to determine the relevant council officer:

- Structures on council land – Land and Property
- Parks & Outdoor Recreation – Civic Maintenance
- Roads – Road Safety Officer
- Community Halls and Buildings – Land and Property
- Events –Tourism
- Development applications – Land and Property
 - Please note, if you require development approval and consents for a project, there are council lodgement fees and charges involved.
- Other – Governance

You must attach the officer’s recommendation and the above form to your application for funding under the Boco Rock Community Enhancement Fund.

NB: Receiving recommendations/advice from the council officer for the project does not automatically mean your project will be granted funding per the Boco Rock Community Enhancement Fund program.
