

# Seasonal Sportsground Light Usage Form

Any sporting club making use of lighting infrastructure at any Council sportsground or field is required to record all such usage in a copy of this form.

Recording your club's lighting use will ensure end-of-season invoices issued by Council accurately reflect your club's usage of this infrastructure.

Contact Council's infrastructure admin team for assistance with this form. Call 1300 345 345 or email [council@snowymonaro.nsw.gov.au](mailto:council@snowymonaro.nsw.gov.au) to get in touch.
