### EXECUTIVE SUMMARY

That the NSW Government prioritise working in partnership with regional and rural Councils, especially those with seasonal demands for short term and tourist accommodation.

### RECOMMENDATION

That Council submit the following motions to LGNSW for consideration at the LGNSW Annual Conference being held on Sunday 23 October to Tuesday 25 October 2022:

1. That access to the Biosecurity information data base managed by DPI be broadened beyond statutory bio-security officers to include other appropriate stakeholders such as Landcare, local agronomists and relevant non-government and government agencies.
2. That the NSW Government prioritise working in partnership with regional and rural Councils, especially those with seasonal demands for short term and tourist accommodation, that may include but not be limited to:
  - a. Removing policy and legislative barriers that prevent incentivising owners putting existing housing into the long term rental market.
  - b. Working proactively with stakeholders (eg Land Councils) to release more land for housing developments, with 25% allocated to social housing/ key workforce housing (Cooma Model).
  - c. Fund more social and emergency housing and accommodation.
