Please return your drawing in person to Council's Customer Service Centre or scan your drawings and email to: council@snowymonaro.nsw.gov.au

We are reviewing our Towards 2042 Community Strategic Plan and would like to hear from our local children about their aspirations and priorities for our future.

This is a wonderful opportunity for children to illustrate what they love about where they live and what they'd like our future to look like,

The Towards 2042 Drawing Sheets are for children that would like to share their ideas for the future as we move towards 2042.

As young people are integral to the success of our community, we will use the submitted illustrations to make sure that they are represented in our vision.

All drawing sheets will need to be emailed to council@snowymonaro.nsw.gov.au or dropped off at the Council office by 15 March 2024.
