

Clean. Drinkable. Water.
Who water thought?
Coming soon to you,
Delegate.

Delegate Water Supply Upgrade

It's full steam ahead on a torrent of water-related news for the town of Delegate, with construction of the brand new Delegate Water Treatment Plant scheduled for completion in September 2023. This project is 100% funded by the NSW Government's Safe and Secure Water Program.

Water Payments

Once the water treatment plant upgrades are operational, the water quality in Delegate will improve immensely, bringing with it, water that is safe and clean for drinking. With this upgrade, Snowy Monaro Regional Council will implement water charges. The water you use in your home and garden make up your water use charges. Your water bill will be sent shortly after we read your water meter.

Residents of Delegate, this is a good time to check if you have any leaks on your property!

Your Water Bill Explained

What will this cost each household? Estimate the "Water Usage Charge" line on your current water bill to calculate what your household bill will cost once the new upgraded water plant is operational.

In the example below, we have calculated the "Water Usage Charge" by the "Units" (8) X "Rate" (\$3.30) = which means the \$0.00 displayed changes to equal \$26.40.

PROPERTY LOCATION AND DESCRIPTION

XX Victoria Parade DELEGATE NSW 2633 Lot: X DP: XXXX

METER NO.	SIZE (MM)	OPENING DATE	READING	CLOSING DATE	READING	USAGE (KL)	NUMBER OF DAYS	AVE DAILY KL
16AF00XXXX	20	25/05/2022	401	09/09/2022	409	8.00	107	0.075
Total Water						8		
CHARGE	UNITS	RATE	FACTOR	TOTAL CHARGE				
Balance B/Fwd				\$0.00				
Water Usage Charge:	8	\$3.30		\$0.00				
Water Access	1	0.00		\$92.00				
Sewer Access	1	0.00	100.00	\$323.00				
Total Amount Due				\$415.00				

Estimate the "Water Usage Charge" line on your current bill to calculate what your household bill will cost.

Calculate the "Units" x "Rate". The example shows 8 x \$3.30.

Using the equation, the example's new "Total Charge" equals "\$26.40".
