Privacy Statement:

Council respects all personal and confidential information you give and will do everything possible to protect information from unauthorised access, loss or misuse. Information collected from you is required for the delivery of Council services in accordance with Council's powers, functions and purposes under The Local Govt Act 1993 and other relevant legislation. It may also be used by Council to conduct research and customer satisfaction surveys so that we may better understand community needs and can improve service delivery.

I/we, being the owner/s of the subject property:

Resident Obligations

1. Acknowledge that any bin/s supplied by Council always remains the property of the Council and must not be removed from the property.
2. Understand that I/we are responsible for maintaining the bin/s and ensuring it is in a clean and sanitary condition at all times.
3. Understand that I/we are responsible to look after our bins. If a bin goes missing it is up to the resident/business owner to find it. Each bin has a unique serial and/or chip number which can be provided to assist with finding the missing bin. If the missing bin is not found it needs to be replaced at the cost of the resident/business owner.
4. Acknowledge that, I/we are responsible for the full cost of replacement (as determined by Council) should the bin/s; supplied by council be lost, damaged or stolen.

Council will assist with missing bins, by reviewing the collection data where possible. If the review is unsuccessful and the bin has not been recovered, Council will issue an invoice for a replacement bin within 2 weeks of notification.

If the missing bin is found after the resident has paid for the replacement, Council will refund the replacement cost and collect the replacement bin.

Commercial Obligations

1. Pay all service charges or amounts that may become due and payable to Council under the terms of this agreement
2. Provide clear and safe access to all bins for collection purposes. The collector will have sole discretion in determining whether access provided is clear and safe. Where the collector has concerns, waste/recycling will not be collected. Bins must not be overloaded.
3. Repeated gross contamination of any bin being serviced will lead to suspension of service.
4. A maximum weight of 80 kilos applies to all 120, 140, 240 and 360 litre waste, recycle and garden waste bins serviced.
5. Where applicable ensure the bin is brought back inside the property boundary after collection

All Users MUST Abide by restrictions for use

- a. No hazardous materials (batteries, fuel/gas containers, asbestos, syringes, needles)
- b. No liquids (waste water, oil, paint, cleaners, acid, chemicals)
- c. Ensure that all vacuum dust and cold fire ash are placed into plastic bags within the waste bin.
- d. Ensure that waste bin storage areas are kept neat and tidy to prevent windblown litter and the risk of attracting pests, vermin and birds.

If you are not the current owner/s of the property, the current owner's signature must appear on this form or signature from authorised agent.

Declaration and Signature of Applicant

I/we the undersigned hereby apply for a replacement bin. I/we further undertake to pay any fee or charge assessed by Council in connection with this application.
